# Notice of ITAR Registration and Compliance

---

**Company Name:** Jeffries Tooley LLC dba Triad Electronic Technologies

**Date of Issuance:** January 15, 2026

## Statement of Registration

Jeffries Tooley LLC is officially registered with the **United States Department of State, Directorate of Defense Trade Controls (DDTC)** as a manufacturer of defense articles. This registration is maintained in accordance with the **Arms Export Control Act (AECA)** and the **International Traffic in Arms Regulations (ITAR)** under **22 CFR Parts 120-130**.

## Registration Validity

- **Current Status:** Active and in Good Standing.
- **Current Expiration Date:** January 31, 2027.

## Verification for Customers and Partners

In alignment with **DDTC security best practices**, Jeffries Tooley LLC dba Triad Electronic Technologies does not publicly publish its specific **ITAR Registrant Code** to prevent fraudulent use or unauthorized export activities.

To verify our registration for your compliance records, please contact our **Empowered Official** directly at the information provided below. We will provide a formal Statement of Registration or a redacted copy of our registration letter through a secure communication channel upon request.
